The Residency Program

This residency program commences in February 2011. Each residency is held in conjunction with Atlantic Guest House Byron Bay, who provide the artist with accommodation and studio space.

We are happy to consider artists who work with wall mounted works, sculpture, photography, new technologies and installation.

Residency length is four to six weeks long. In consultation with Art Park, each residency may incorporate a solo exhibition and a floor talk.

The Art Park/Atlantic Artist Residency Program will supply and fund:

1. Fully furnished accommodation for a period of up to 6 weeks. The apartment is free of rental, gas and electricity charges to the artist in residence. An internet connection is available.
